Subject: Appeal for academic continuation

Respected Sir/Madam,

I, Sonu Somkuwar, MTech CSE, Roll No 1611015 is placed under academic dropped, as my CPI is 6.5 and below 6.5. I tried to improve my semester performance and was expecting grades beyond B or B+ as I studied accordingly to that. I feel that due to non-reveal of exam marks at a timely interval, my grades has affected, otherwise, I was getting grades B or B+ which could make my CPI above 6.5 definitely.

I request you to please consider me and allow me to continue the MTech programme. I would take one or two courses and I assure you, that I will make my CPI above 6.5.

Thank You.

SUB: Application for the continuation of the B.Tech  
Programme.

Respected sir,

I Santosh Kumar of B.Tech, ECE Branch (2015220) got a CPI of 3.9 in my previous semesters. As I got into the college in PWD quota. Having some problems in hearing, couldn't able to make the audio of professors so clear. So I couldn't able to score good grades. But I am trying my level best to give the best out of me. And I am started building up confidence to make the best. Solving my problems day-to-day and going ahead instead my physical disabilities. So, please give me some more time to raise the grade.

Please show a bit kindness, that brightens my future life.

Thanking you,

Yours faithfully,  
Santosh Kumar,
