Date: 14 July 2016

Through Thesis Supervisor and Head of Department

1 Subject: Request for joining the duties at NIT Raipur

Respected Sir,

I **Vikas Kumar Malviya** am a PhD Research Scholar in CSE of this institute since January 2012. I had applied for a position of an Assistant Professor (on contract) in **NIT Raipur** (National Institute of Technology, Raipur) after obtaining NOC (No objection certificate) from institute and have been selected for the same. I will have to join there on July 18, 2016 as they have refused to extend the joining date.

I have already applied for the conversion of my PhD category from regular to external category. Please give permission for doing the same.

Thanking you,

Yours Sincerely,

*Vikas*

The documents are showing some discrepancy.

1. The Evaluation Board formulated/ recommended (AO, AG, VKS, PKT) for external category conversion of Mr. Vikas Malviya on 5/8/16 has already given its report on 17/8/2016. (As per attached documents.)
2. Again there is a mistake in the <sup>approved</sup> Evaluation board on Aug 5, 2016. Prof. A Ojha is mentioned as supervisor, while actual supervisor is Dr. Atul Gupta.
3. When an <sup>approved</sup> committee has already submitted its report, then why a new committee (PK, SKM, PKT, AG) has been proposed again. Who proposed this <sup>new</sup> committee on what date is not mentioned.
4. It is marked to Dean (A) (see \* on the prev. page), then why it is send to me.

Prithi  
27/12/16

The new committee proposed/imposed (Dr. Khanna, Dr. Mohanty) is not approved as a committee is approved by Dr. Gupta and Dr. Prasad already. <sup>Requested by</sup> Recommendation of Head, CES for the conversion of program.   
27/12/16, Head/CSE
