~~Through Head NS~~

Respected Sir,

subject :- Permission for registering for my backlog course in last semester of Btech
I am Vinod Kumar Maloth (2011174) of B.Tech C.S-E discipline. I was registered for my previous semester i.e (SEM II-2016-2017) for my last remaining courses and successfully done with my courses. But unfortunately in one of those subjects I secured 'F' grade and the above mentioned subject is (NS-104 PHYSICS II). I reached the campus as soon as I came to know about the news. As it is my 6th Year of B.Tech. I dont have left any semesters remaining to do the course. But, fortunately the same course is being floated in this Summer session.

So, my humble request is you please allow me to register for this term and I am willing to attend Special Classes also if the system insists and complete the course. I would be really grateful for this humble act if my plea is accepted.

Mukul Yours faithfully
Name:- Vinod Kumar Maloth
Rollno:- 2011174

Pt. give your feedback.
Dr. N. Jere is agreed to take. But he has to conduct quiz-1 and midsem. Also cover the portion of subject completed.

Head NS
13/6/17 [Course to be registered - NS104]

In interest of student please do the needful

Subir Singh Lohar
13/6/17

The student is recommended to allow to register. The instructor will take care of missing classes and exams.
