Subject: Regarding resubmission of the ES-103 (Data structure and Algorithm) grades.

Respected sir,

I am Kusum Kumari Bharti, working an Assistant Professor in the CSE department. I have taken Quiz 1 and Quiz 2 of total 20 marks, which I have scaled into 15. During the scaling process I made a mistake, resultant values are scaled wrongly. The grade sheet, which I have uploaded dated by 03/05/2017 is not correct. Hence, I want to resubmit the grade sheet. Sorry for the inconvenience.

Please consider my application and allow me for the same. I will be thankful to you for this kindness.

Thanking you
