Sub: Conduction of pure lab (XXXXXXL) Backlog courses of the old curriculum.

Senate in its 46th Meeting held on January 19, 2021 has decided that some students of previous batches have lab courses as backlog. The lab courses have been now merged in the theory courses. It is decided that such students can register only for the lab part of the course in place of the whole course (theory + lab) and be awarded credits as per the their previous curriculum.

This is for your kind information, pls.
