IIITDMJ/RO/2022/03/2020

March 30, 2022

Senate in its 49th Meeting held on February 28, 2022 decided (in reference to Senate Agenda No . Senate/48/11) to run the courses in A/B mode for first year where courses are not in sequence i.e. for the 2022 batch in first semester course Basic Electronics and Engineering Graphics courses can be run in parallel in both the semester. The Senate authorized Chairperson Senate to approve the revised curriculum in view of the same. The Senate also decided that for theory courses the classes size may be 125 and for the practical courses 60 for the courses based on purely simulation and 30 for the courses where experiments are involved. The numbers are approximate.

This is for your kind information, pls.
