March 30, 2022

Sub: Replacing the requirement of Swayam Course teaching pedagogy course with Teaching Credit.

Senate in its 49th Meeting held on February 28, 2022 decided that as per the current PhD Manual the PhD students have to do a Swayam Course of 08 weeks on Teaching Pedagogy, but most of the courses on Swayam Portal are of 04 weeks duration only, which does not give sufficient exposure to the students in taking classes. Senate approved that the requirement of teaching pedagogy course be replaced by teaching credit (2 credits with "S" or "X" grade).

For obtaining the teaching credit a student need to deliver 4 hour lecture in a basic course of UG level in his discipline. The course will be allotted by the Head of the Discipline from among the three choices given by the student. This will be applicable for the batch of 2022 onwards. For the students who are currently enrolled in the PhD program and have not completed eight weeks teaching pedagogy course on Swayam, the choice will be left to the student to choose between the two schemes either Swayam course on teaching pedagogy or Teaching Credit.

This is for your kind information, pls.
